Hillsboro Industries (HI) warrants the steel frame of its steel truck bed product line against structural failure (including weld failure) for (1) one year from the date of purchase by the original owner. This includes weld failures and failure of decking and headache rack.

Paint carries a (2) two-year warranty - offered directly from PPG on their Delfleet Essentials line. Qualifying claims will be processed by one of over 200 qualified PPG Warranty Specialists located across the nation. Paint warranty does not cover wear, deterioration, damage from cleaning solvents, road debris, rock chips, salt, sand or other road/weather conditioners.

Warranty on any HI product used by the customer in the transportation of goods for compensation or in rental enterprises will be one-half of the above-stated length.

This warranty applies to the original owner only. All warranty claims must be submitted through an authorized HI dealer for processing.

Hillsboro Industries will not be responsible for any damage caused by the abuse, misapplication or misuse of their products.

Any part or workmanship, subject to this warranty, if defective, as determined solely by HI, will be repaired or replaced, at the option of HI, without charge. Photos may be required by HI to assess extent of damage. If repairs or replacements are made at a location other than HI, reimbursement to the original owner will be made at an amount not to exceed the amount HI would charge for the parts and labor. All parts for warranty consideration must be returned to Hillsboro Industries* freight prepaid. All warranty claims must be filed with HI no later than 30 days after the warranty period expires.

COMPONENTS NOT MANUFACTURED BY HI MAY BE COVERED BY THE WARRANTY OF THEIR RESPECTIVE MANUFACTURERS, BUT ARE NOT COVERED BY THE HI WARRANTY.

HOW TO FILE FOR WARRANTY:

- First contact the selling dealer and process the claim through the dealer.
