HILLSBORO

Hillsboro was founded in 1968 in Hillsboro, KS. From the start the company has been dedicated to producing unique, innovative high-quality products. Hillsboro Industries manufactures a high-quality line of aluminum, hybrid and steel truck beds, the Endura all aluminum livestock, combo, cargo and car trailer models and aluminum utility trailers. With an experienced and dedicated work force that continues to develop and introduce industry-first features year after year. Bottom line: when you say HILLSBORO, you're talking quality. Hillsboro is "Simply the Best". For more information, contact Hillsboro Industries at 800-835-0209.
